CODIFICATION

Act Jan. 24, 1905, and act June 29, 1906, are identical in language throughout, except that the earlier act authorizes the setting aside of areas in Wichita National Forest, while the latter authorizes areas in Grand Canyon National Forest. The two acts have been combined to form this section and sections 685 and 686 of this title.

“Wichita National Forest” and “Grand Canyon National Forest” substituted for “Wichita Forest Reserve” and “Grand Canyon Forest Reserve”, respectively, on authority of act Mar. 4, 1907, ch. 2907, 34 Stat. 1269, which provided that forest reserves shall hereafter be known as national forests.

PRESIDENTIAL DESIGNATION; ABOLITION OF WICHITA NATIONAL FOREST

The entire Wichita National Forest was designated a Game Preserve by Proclamation of June 2, 1905 (34 Stat. 3062), enlarged by Executive Order No. 7116, July 26, 1935, and designated the Wichita Mountains Wildlife Refuge by Act June 4, 1936, ch. 489, title I, § 1, 49 Stat. 1446, Proclamation No. 2211, Nov. 27, 1936 (50 Stat. 1797), revoked the proclamations of July 4, 1901 (32 Stat. 1973), May 29, 1906 (34 Stat. 3207), and Oct. 13, 1910 (36 Stat. 2754), establishing, enlarging, and modifying the Wichita National Forest, but did affect the Wichita Mountains Wildlife Refuge.

The Grand Canyon National Game Preserve was established by Proclamation of Nov. 28, 1906 (34 Stat. 3263), enlarged by Proclamation of June 23, 1908 (35 Stat. 2192), and diminished by Proclamation of June 3, 1909 (36 Stat. 2496). The lands of the Grand Canyon National Forest were divided among and combined with those of the Coconino and Kaibab National Forests by Proclamation of July 2, 1908 (35 Stat. 2196).

§ 685. Hunting, trapping, killing, or capturing game in designated breeding areas unlawful

When such areas have been designated in the Wichita National Forest as provided for in section 684 of this title, hunting, trapping, killing, or capturing of game animals and birds upon the lands of the United States within the limits of said areas shall be unlawful, except under such regulations as may be prescribed from time to time, by the Secretary of the Interior.

When such areas have been designated in the Grand Canyon National Forest as provided in section 684 of this title, hunting, trapping, killing, or capturing of game animals upon the lands of the United States within the limits of said areas shall be unlawful, except under such regulations as may be prescribed from time to time by the Secretary of Agriculture.

CODIFICATION

Words “in the Wichita National Forest and in the Grand Canyon National Forest” inserted, and “Secretary of the Interior and Secretary of Agriculture, respectively” substituted for “Secretary of Agriculture” because of Reorg. Plan No. II of 1939, which transferred Bureau of Biological Survey from Department of Agriculture to Department of the Interior. The successor to Wichita National Forest, which was then administered by that Bureau, was affected by the transfer. However, the successor to Grand Canyon National Forest was administered by Forest Service and was consequently not affected.

For successors to Wichita National Forest and Grand Canyon National Forest, see Presidential Designation note set out under section 684 of this title.

After notifying the Committee on Energy and Natural Resources of the Senate and the Committee on Natural Resources of the House of Representatives, in writing, of his intention to do so and of the reasons therefor, the Secretary may, if he finds that such lands would make a significant contribution to the purposes for which the preserve was created, accept title to any lands, or interests in lands, located outside of the boundaries of the preserve which the State of Texas or its political subdivisions may acquire and offer to donate to the United States or which any private person, organization, or public or private corporation may offer to donate to the United States and he may administer such lands as a part of the preserve after publishing notice to that effect in the Federal Register. Notwithstanding any other provision of law, any federally owned lands within the preserve shall, with the concurrence of the head of the administering agency, be transferred to the administrative jurisdiction of the Secretary for the purposes of sections 698 to 698e of this title, without transfer of funds.

(d) Exchanges of land

Within sixty days after July 1, 1993, the Secretary and the Secretary of Agriculture shall identify lands within their jurisdiction located within the vicinity of the preserve which may be suitable for exchange for commercial timber lands within the preserve. Such National Forest lands shall be located in the Sabine National Forest in Sabine County, Texas, in the Davy Crockett National Forest south of Texas State Highway 7, or in other sites deemed mutually agreeable, and within reasonable distance of the timber companies' existing mills. In exercising this exchange authority, the Secretary and the Secretary of Agriculture may utilize any authorities or procedures otherwise available to them in connection with land exchanges, and which are not inconsistent with the purposes of sections 698 to 698e of this title. Land exchanges authorized pursuant to this subsection shall be of equal value and shall be completed as soon as possible, but no later than two years after July 1, 1993.

The Secretary is authorized to acquire by donation, purchase with donated or appropriated funds, transfer from any other Federal agency, or exchange, any lands, waters, or interests therein which are located within the boundaries of the preserve or the Addition: *Provided*, That any lands owned or acquired by the State of Florida, or any of its subdivisions, in the preserve may be acquired by donation only and, any land acquired by the State of Florida, or any of its subdivisions, in the Addition shall be acquired in accordance with subsection (d) of this section: *Provided further*, That no Federal funds shall be appropriated until the Governor of Florida executes an agreement on behalf of the State which (i) provides for the transfer to the United States of all lands within the preserve previously owned or acquired by the State and (ii) provides for the donation to the United States of all lands acquired by the State within the preserve pursuant to the provision of “the Big Cypress Conservation Act of 1973” (Chapter 73-131 of the Florida Statutes) or provides for the donation to the United States of any remaining moneys appropriated pursuant to such Act for the purchase of lands within the preserve. The Secretary may, if he determines that the acquisition of any other subsurface estate is not needed for the purposes of the preserve and the Addition, exclude such interest in acquiring any lands within the preserve and the Addition. Notwithstanding the provisions of section 4651 of title 42 the Secretary (i) may evaluate any offer to sell land within the preserve or the Addition by any landowner and may, in his discretion, accept any offer not in excess of \$10,000 without an appraisal and (ii) may direct an appraisal to be made of any unimproved property within the preserve or the Addition without notice to the owner or owners, thereof. (d) Land within Addition; United States share of acquisition costs

(1) The aggregate cost to the United States of acquiring lands within the Addition may not exceed 80 percent of the total cost of such lands.

(2) Except as provided in paragraph (3), if the State of Florida transfers to the Secretary lands within the Addition, the Secretary shall pay to or reimburse the State of Florida (out of funds appropriated for such purpose) an amount equal to 80 percent of the total costs to the State of Florida of acquiring such lands.

(3) The amount described in paragraph (1) shall be reduced by an amount equal to 20 percent of the amount of the total cost incurred by the Secretary in acquiring lands in the Addition other than from the State of Florida.

(4) For purposes of this subsection, the term “total cost” means that amount of the total acquisition costs (including the value of exchanged or donated lands) less the amount of the costs incurred by the Federal Highway Administration and the Florida Department of Transportation, including severance damages paid to private property owners as a result of the construction of Interstate 75.

SHORT TITLE OF 1988 AMENDMENT

Section 1(a) of Pub. L. 100-301 provided that: “This Act [enacting sections 698m-1 to 698m-4 of this title, amending this section and sections 698h and 698j to 698m of this title, and enacting provisions set out below] may be cited as the ‘Big Cypress National Preserve Addition Act.’”

FINDINGS AND PURPOSE

Section 2 of Pub. L. 100-301 provided that:

“(a) FINDINGS.—The Congress finds that—

“(1) the planned construction of Interstate 75 is presently being designed in such a way as to improve the natural water flow to the Everglades National Park, which has been disrupted by State Road 84 (commonly known as ‘Alligator Alley’);

“(2) the planned construction of Interstate 75 provides an opportunity to enhance protection of the Everglades National Park, to promote protection of the endangered Florida panther, and to provide for public recreational use and enjoyment of public lands by expanding the Big Cypress National Preserve to include those lands adjacent to Interstate 75 in Collier County north and east of the Big Cypress National Preserve, west of the Broward County line, and south of the Hendry County line;

“(3) the Federal acquisition of lands bordering the Big Cypress National Preserve in conjunction with the construction of Interstate 75 would provide significant public benefits by limiting development pres-

sure on lands which are important both in terms of fish and wildlife habitat supporting endangered species and of wetlands which are the headwaters of the Big Cypress National Preserve; and

“(4) public ownership of lands adjacent to the Big Cypress National Preserve would enhance the protection of the Everglades National Park while providing recreational opportunities and other public uses currently offered by the Big Cypress National Preserve.

“(b) PURPOSE.—It is the purpose of this Act [see Short Title of 1988 Amendment note above] to establish the Big Cypress National Preserve Addition.”
